Roll Call: Suzy Browning, Eugene Ciferno, Ellie Ledbetter and Alena Woodruff, JBC Property Manager

- Don Dobres and Rick Elliott provided three (3) proposals for the Bocce Ball updates from local companies, Home Putting Solutions, Papico Construction, and NIDY Sports Construction Co. It was decided after reviewing the data that a definitive scope of work was needed to move forward. Don and Rick will provide a list of updates needed for the Bocce Courts to Eugene who will prepare a Scope of Work. Once the SOW is complete Eugene will send to Alena to distribute back to the companies noted above.
- Once the new proposals come back to Alena she will distribute to the board for further review.
